MaxRoi Solar

About Company

MAXROI Energy Pvt Ltd is a leading player in India's renewable energy sector, focusing on solar energy solutions.

We specialize in providing comprehensive solar power solutions, including project development, engineering, procurement, and construction (EPC) services. Our core aim is to promote sustainability through clean and renewable energy, delivering cost-effective solutions that meet the diverse energy needs of industries, businesses, and communities.

With a robust portfolio of solar energy projects, MAXROI Energy Pvt Ltd has established itself as a trusted partner for companies and organizations aiming to reduce their carbon footprint and move towards energy independence.

With its expertise in the field of renewable energy, MaxRoi Energy has completed some of the largest solar projects in Rajasthan, contributing significantly to India's renewable energy goals and creating a cleaner, sustainable future.

2

Core Services

- **Solar EPC Services:**

MAXROI Energy provides end-to-end EPC services for solar power plants. From project design to procurement, construction, and commissioning, we ensure that each solar power system is installed efficiently and meets international standards of quality and safety.

- **Project Development:**

Our project development team works closely with clients to design and implement solar energy systems that match their specific requirements, ensuring maximum energy yield and financial return.

- **Operation & Maintenance (O&M):**

We offer complete O&M services for solar plants, including monitoring, repairs, and system optimization, ensuring smooth operations and peak performance over the system's lifetime.

Achievements

- **Solar Capacity Installed**

MaxRoi Energy has successfully installed over 200+ MW of solar power across India, making it one of the top contributors to the nation's renewable energy capacity.

- **Projects Across India**

MaxRoi Energy has successfully installed Solar Power Plant and Rooftop projects in Multiple States. The company has a strong presence in multiple states, including Rajasthan, Gujarat, Madhya Pradesh, Uttar Pradesh, Delhi and Andhra Pradesh.

Notable Projects

1. **20MW AC, DV, MMS** WORK at **AVAADA** SITE BIKANER 320MW POWER PLANT
2. **100MW Robot Work** at **AVAADA** SITE BIKANER 320MW POWER PLANT
3. **17MW AC, DC, MMS** Work at **JEKSON Green** BIKANER POWER PLANT
4. **10MW** WORK in **TATA POWER** SITE- 320MW NTPC Bhainsara Jaisalmer
5. **10MW MMS, DC** Work at **AVAADA** SITE **Madhya Pradesh**
6. **17MW** DC, MMS, AC WORK at **Rays Power Infra**, Surendra nagar, Gujarat.

Work We Done

- Solar Project in **Leveling**
- Solar Project in **Piling**
- Project in **ICR Civil Work**
- Solar Project in **Road Work**
- Solar Project in **MMS**
- Solar Power Project in **ACDC Work**
- Solar Power Project in **Boundary Wall and Fencing Work**

Our Team

Machine we have

Tractor Trolley & Water Tanker MMS
Tyting Machine TSR Machine All
types of Piling Jacks Caping Samagri
Piling Material

Team

- 10+Yrs EPC Experience
- 20+ Contractors
- 200+ Skilled Workers
- 20+ Engineers

Safety & Tools

Workers are Safety Qualified
Professional ITI Trained and
Electrician. All required tools from
In-house. We are maintain quality
and safety checks required.
